

Product Overview

Encoders

Production

 <p>DX8313</p>	<p>Production DX8313 <i>Multi-core multi-standard, multi-resolution, multi-stream, dual-chip broadcast distribution encoder</i></p>
 <p>DX8333</p>	<p>Production DX8333 <i>Multi-core multi-standard, multi-resolution dual-chip studio production encoder</i></p>
 <p>DX8353</p>	<p>Production DX8353 <i>Multi-core multi-standard, multi-resolution, multi-stream, single-chip broadcast distribution encoder</i></p>

Contribution

 <p>DX8313</p>	<p>Contribution DX8313 <i>Multi-core multi-standard, multi-resolution, multi-stream, dual-chip broadcast distribution encoder</i></p>
 <p>DX8333</p>	<p>Contribution DX8333 <i>Multi-core multi-standard, multi-resolution dual-chip studio production encoder</i></p>
 <p>DX8353</p>	<p>Contribution DX8353 <i>Multi-core multi-standard, multi-resolution, multi-stream, single-chip broadcast distribution encoder</i></p>

Distribution

DX8112

Distribution | DX8112
HD/SD MPEG-2 quad-chipset encoder

DX8313

Distribution | DX8313
Multi-core multi-standard, multi-resolution, multi-stream, dual-chip broadcast distribution encoder

DX8333

Distribution | DX8333
Multi-core multi-standard, multi-resolution dual-chip studio production encoder

DX8353

Distribution | DX8353
Multi-core multi-standard, multi-resolution, multi-stream, single-chip broadcast distribution encoder

Transcoders

Distribution

DX7313

Distribution | DX7313
Multi-core, multi-standard, multi-resolution, multi-stream, dual-chip broadcast distribution transcoder

Decoders

Production

 <p>DX8313</p>	<p>Production DX8313 <i>Multi-core multi-standard, multi-resolution, multi-stream, dual-chip broadcast distribution encoder</i></p>
 <p>DX8333</p>	<p>Production DX8333 <i>Multi-core multi-standard, multi-resolution dual-chip studio production encoder</i></p>
 <p>DX8353</p>	<p>Production DX8353 <i>Multi-core multi-standard, multi-resolution, multi-stream, single-chip broadcast distribution encoder</i></p>

Contribution

 <p>DX8313</p>	<p>Contribution DX8313 <i>Multi-core multi-standard, multi-resolution, multi-stream, dual-chip broadcast distribution encoder</i></p>
 <p>DX8333</p>	<p>Contribution DX8333 <i>Multi-core multi-standard, multi-resolution dual-chip studio production encoder</i></p>
 <p>DX8353</p>	<p>Contribution DX8353 <i>Multi-core multi-standard, multi-resolution, multi-stream, single-chip broadcast distribution encoder</i></p>

Distribution

DX9353

Distribution | DX9353

*Multi-core, multi-standard, multi-resolution, multi-stream, single-chip
broadcast distribution, production and contribution decoder*
